# A WITCHES MIX

Before you get started creating your wicked treat, this is a list of ingredients you'll need to make your *The Craft: Legacy* inspired snack:

- 12 cups popped popcorn
- 2 cups thin pretzel sticks
- 1 cup red candy melts
- 1/2 cup white chocolate chips
- Edible gold star glitter (optional)

**Step 1:** Line cookie sheet with wax paper or parchment paper. Spread popcorn and pretzels evenly over the cookie sheet.

**Step 2:** Melt red candy melts by microwaving in a heat-safe bowl for 20 second intervals until melted and smooth. Drizzle over popcorn and pretzel mix.

**Step 3:** Melt white chocolate in the same manner and drizzle over the melted red candy, popcorn, and pretzels.

**Step 4:** Before the white chocolate dries, sprinkle edible glitter over everything for a bewitching sparkle. Oh, and don't forget to share your creation using: **#TheCraft:Legacy**

A promotional poster for 'The Craft: Legacy' featuring three young women lying on a bed of straw. The woman on the left has short dark hair and is wearing a dark, patterned top with a pearl necklace. The woman in the middle has long, wavy brown hair and is wearing a black lace top with a gold chain necklace. The woman on the right has long, dark curly hair and is wearing a red and black patterned top with a gold chain necklace. Several lit candles in glass holders are scattered around them, casting a warm glow. The background is dark and textured, suggesting a forest floor or a similar natural setting.
