

SPE Visitor Guidelines – Culver City

As of May 1, 2023

SPE visitors are permitted on the SPE Studio Lot and other Los Angeles-based SPE facilities if they and their hosts follow the guidelines below:

Employees hosting visitors must observe the following guidelines:

- To arrange a visitor pass for a guest, you must create a visitor invitation in the VisitSPE application, available here: <https://visitspe.spe.sony.com>.
- Ensure that your visitors are fully informed of and able to comply with all current SPE Health and Safety protocols. Current protocols are available [here](#).
- Ensure that your visitors do not enter restricted areas, private workspace and / or production space without authorization.

SPE visitors must observe the following guidelines:

- Present government issued photo identification to security upon arrival.
- Follow all current SPE Health and Safety protocols, which are included in the emailed invitation sent to guests - in addition to posted signage on the Studio Lot.
- Visitors under the age of 18 must be accompanied by an adult at all times while on SPE property.
- Follow instructions of Sony Pictures Security personnel.
- No photography of any kind is permitted in production areas or screening rooms.
- Observe posted signage. Do not enter restricted areas, private workspace and / or production space without authorization.

Note: Process and requirements may vary for production or special event visitors – please understand the requirements of individual productions or special events if this applies to you.

If you have any questions about these guidelines or use of the VisitSPE application, please contact the Studio Service Center at StudioServiceCenter@spe.sony.com.
